

Psoriasis Problem Skin Formula Drug Facts

<b>Drug Facts</b>	
<b>Active ingredient</b>	<b>Purpose</b>
Coal Tar 0.5%.....	Psoriasis/Seborrheic Dermatitis Treatment (from Coal Tar Topical Solution, USP, 20%)
<b>Uses</b> For the relief of symptoms associated with psoriasis and/or seborrheic dermatitis including itching, scaling, flaking, redness and irritation of the skin. Helps prevent recurrence.	
<b>Warnings</b> <b>For external use only.</b>	
<b>Ask a doctor before use</b> ■ for prolonged periods ■ if condition covers a large area of the body ■ around the rectum or in the genital area or groin ■ with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs.	
<b>When using this product</b> avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.	
<b>Stop use and ask a doctor if</b> ■ condition worsens ■ condition does not improve after regular use of this product as directed.	
<b>Use caution</b> in exposing skin to sunlight after applying this product, as it may increase your tendency to sunburn for up to 24 hours after application. <b>Warning:</b> This product contains chemicals known to the State of California to cause cancer.	
<b>Keep out of reach of children.</b> If swallowed, get medical help or contact a poison control center right away.	
<b>Directions</b> ■ Read all package directions and warnings before use. ■ Use only as directed. ■ Apply (gently massage in) a small amount of PSORIASIN to affected areas. ■ Apply one to four times daily or as directed by a doctor. ■ Apply to thoroughly dry skin. ■ The active ingredient, coal tar, in PSORIASIN may affect very light hair color; test first on a small patch of hair before broader application to areas where light colored hair is present. ■ Wash affected areas at least daily with mild soap and warm water and dry thoroughly. ■ Intended for use by normally healthy adults only. ■ Persons under 18 years of age or those with highly sensitive or allergic skin should use only as directed by a doctor.
